

"STARLIGHT"

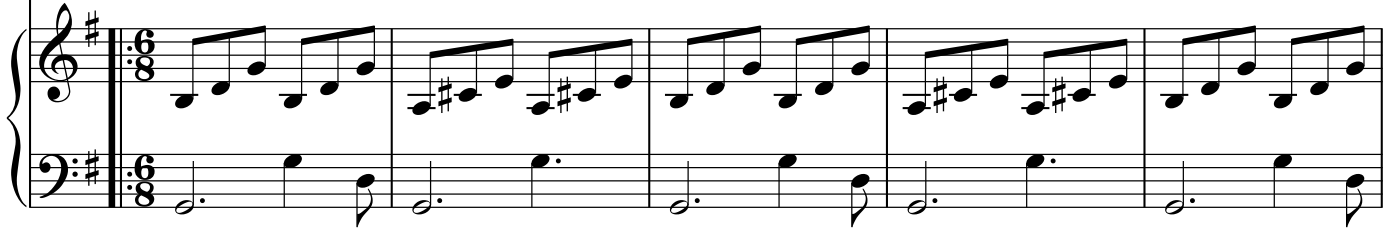

That's just it Skip, I can't stop thinking about what's out there, all that endless space, and us
down Mark Bourgeois
here. There must be a reason we've ended up here, it can't just be random chance. What if this
Black hole thing was written in the stars, destiny and all that. Hey look there's that strange
light again- Light? What light, I don't see nuthin?
